

CAMBRIDGE FOLK FESTIVAL 2026

TRADERS EVENT INFORMATION SHEET

We are seeking trader (non-food) applications for Cambridge Folk Festival 2026. Attracting up to 4,500 people per day across two days, Cambridge Folk Festival is situated in the beautiful parkland setting of Cherry Hinton Hall on the outskirts of the city. More details are available in the event information on page 4 onwards.

It is our aim to have a varied mix of high-quality caterers and traders and to attract new and local companies.

APPLICATION INFORMATION & PITCHES AVAILABLE

We are seeking applications for the following trader pitches:

	DATES OF TRADING	CORRESPONDING TERMS & CONDITIONS	EXPECTED TRADING HOURS (TIMINGS STILL SUBJECT TO CHANGE)
Outdoor Traders (including Luthiers/Instrument Makers and CD/Record Concession)	Saturday 1st & Sunday 2nd August 2026	Outdoor Traders (Main Arena)	Saturday: 10am – 10:30pm Sunday: 10am – 10:30pm

Outdoor traders must not trade outside of the trading times stated above, unless otherwise agreed in writing with the Festival organisers.

All Applications Open: Thursday 16 October 2025, 12 noon.

All Applications Close: Thursday 11 December 2025, 5pm.

HOW TO APPLY

For a chance to be part of the 2026 Festival, please first read the relevant terms and conditions for the application you wish to complete.

Please note that the terms and conditions will form a vital part of your agreement to trade at the Festival if successful and include important information on arrival times, set-up, passes and more, so please read these carefully. If you are a returning trader to the Festival, please read the terms and conditions carefully as these have changed to reflect the new format of the Festival.

Once you have read the terms and conditions, please complete the corresponding application form.

All Festivals terms and conditions and application forms can be accessed via the following link:

IMPORTANT INFORMATION & DOCUMENTS TO BE PROVIDED/UPLOADED AS PART OF APPLICATION

You will be required to include and upload evidence of the following documents within each application form so please have these readily available before starting your application:

1. Environmental/Ethical Impact Statement
2. Third Party Liability Insurance (minimum £5 million)
3. Health and Safety Risk Assessment
4. Fire Risk Assessment
5. Proposed Product and Price List
6. Photos of Stall (Optional)
7. Social Media Links (Optional)

Where possible, please include photos of your stall in your application.

REVIEW OF APPLICATIONS

Companies shall be determined by a bidding process.

When selecting successful applicants, we shall be looking at the following:

- Amount offered in relation to specific types of goods to be sold and their prices
- Space required on site
- Anticipated quality of service and value for money to Festival goers
- Sustainability

We wish to encourage bids from local and artisan traders who also support the above. Again, this will be taken into consideration when evaluating bids.

You are welcome to put in more than one bid.

If you have been successful, you will be informed of our decision by early February. Due to the number of applicants, we cannot reply to unsuccessful applications.

ABOUT THE FESTIVAL

Cambridge Folk Festival is one of the longest running and most well-known folk festivals in the UK. Held each year in the beautiful setting of Cherry Hinton Hall. The 2026 Festival will debut a new multi-venue format with the outdoor event element spanning across two days and attracting up to 4,500 attendees each day. The Festival is renowned for its unique atmosphere and an eclectic mix of music. The Festival aims to provide the best for artists and audiences alike.

There are two stages, a bar, outside traders and a wide selection of catering units (approximately 8-12 units). There is also a campsite.

WHAT WE ARE LOOKING FOR

As we continue to develop the Festival we are always looking to improve the quality and diversity of shopping opportunities for customers. We like to have a broad range of options including more unique and artisan traders, as well as the more common bigger festival stalls. The pitches available are all outside trading spaces, there is not concession marquee for 2026. We also want to support local traders and regional food and drink producers where possible by taking geographical proximity into consideration when assessing bids.

We award space based not only on the amount you bid but consider all the other information you supply e.g. the type of goods, your prices, how much space and how many passes you need. Space on site is extremely limited and therefore the number of stalls few. Bids should reflect these factors and stated size requirements must be accurate. Stalls specialising in a limited number of items are always looked on favourably where there is less likelihood of crossover with other traders.

It is important that you include with your application your full price list as well as any additional information such as experience, history and photographs you may have of your unit/stall, or samples of your goods where possible.

Environmentally friendly and ethical practices are very important to us. The Festival has been awarded sustainability accreditations with A Greener Futures (AGF) since 2016 and has previously been nominated at the UK Festival Awards for Best Greener Festival. We run a Sustainable Stand Award and choose one caterer and one trader to win. The winner will also be able to use the award to promote themselves in their marketing.

As part of the Festival's Bronze award with Attitude is Everything and commitment to providing an accessible experience for everyone attending the Festival, all successful applicants must accommodate customers with disabilities. Please provide; a lowered counter, if a lowered counter is not possible please take orders directly by coming in front of the stall to speak with the customer, taking money, and returning with products; ensure minimum width of 1.2m for access into your stall; there must be product lists provided and there must be large print versions of these, these should have black print on white background, be

laminated, be large print (min. 18pt) and be available on the bar or counter for customers to hold if they wish; please consider that picture-based product lists make choosing items far more accessible for some people, so where possible these should be implemented.

All caterers and traders are asked to state in their application how they will contribute to this ongoing commitment to improving our environmental impact and supporting ethical practices (e.g. use of biodegradable packaging, local suppliers, Fair Trade products, etc.). **Applications will not be processed if this statement is missing.**
